

•Field	Semiconductor device engineering	•Office	College of Engineering 1238
•Name	Park, Jae-hoon	•Tel	+82-33-248-2357
•Title	Associate Professor	•email	jaypark@hallym.ac.kr

| Educational background

- 2002 ~ 2007 Hongik University (Doctor of Engineering – The Department of Electricity and Electronic Engineering)
- 2000 ~ 2002 Hongik University (Master of Engineering) – The Department of Electricity and Electronic Engineering)
- 1994 ~ 2000 Hongik University (Bachelor of Engineering – The Department of Electricity Control System Engineering)

| Major Careers

- 2013. 11 ~ 2014. 10 Professor in charge of Electronic engineering
- 2011 ~ 2013 Senior Researcher of the IT Convergence Technology Research Sector, Electronics and Telecommunications Research Institute
- 2010 ~ 2011 Centre for Molecular and Nanoscale Electronics Researcher of Durham University, UK
- 2009 ~ 2010 Postdoctoral researcher of the Department of Electrical Engineering, Seoul National University
- 2007 ~ 2009 Postdoctoral researcher of the Department of Electronics & Communications Engineering, Hanyang University
- 2007 ~ 2007 BOE-HYDIS Co. LCD Senior Researcher of the Research Institute
